

# GEORGE STILL FORUM

National Paediatric ADHD Network Group

The 20<sup>th</sup> George Still Forum Annual Scientific meeting is all set for face to face with even more vigour this year. On 5<sup>th</sup> and 6<sup>th</sup> October 2023, we shall meet at the Clermont Hotel Charing Cross, The Strand, London WC2N 5HX with distinguished speakers from across the world.

Hot topics like recent advances in genetics, newer understanding of the genesis of ADHD in a child and its ramifications, and many aspects of a range of Neurodevelopmental disorders will be covered over the two days.

We are planning to hold *conference dinner on the 5<sup>th</sup> October* with guest speaker, which also will attract CPD point.

More details will follow soon, booking starts from 1<sup>st</sup> April. Preference will be offered to our members and booking will be in first come first served basis.
